

NOTICE

Clark County Code 10.08.130 requires that dogs and cats over four months of age be spayed or neutered unless the owner meets one of the following exemptions.

1. The owner obtains a permit from Animal Control to keep the animal intact. These permits include:
 - a. Pet Fanciers Permit
 - b. Breeders Permit, if one exists
2. A licensed Veterinarian provides a letter under oath attesting that the animal cannot be sterilized either permanently or for a specified period of time.
3. Animals that are being used by a law enforcement agency or guide dogs specifically trained and used to guide a blind or disabled person.

Persons harboring a dog or cat subject to the spay/neuter requirement have until May 19, 2010 to comply.

For purposes of this section and chapter, “harbor” means legal ownership, of the providing of regular care or shelter, protection, refuge or nourishment, or medical treatment; provided however that the term shall not include the providing of nourishment to a stray or feral cat or dog.
